

SHABOT OBAADJIWAN FIRST NATION

NEWSLETTER

JULY 2018

Kwey Kwey,

I hope that you and your family are well and that you are finding ways to stay cool in this warm weather. There is much to share since we last met at the fish fry in May. For a full update, please come out to the Shabot Obaadjiwan community meeting on August 12 at 1 p.m. at St James Catholic School Hall, 14608 Highway 38, Sharbot Lake (across from Home Hardware). Light refreshments will be served.

Discussion points on 2018 timelines:

1. Community consultation on revised eligibility criteria and the process
2. Interim constitution
3. Incursions from Metis and Williams Treaty First Nations
4. Court injunction to challenge Metis harvesting in 2018/19 within Algonquin traditional territory

If you cannot attend the meeting and have questions, contact me by email at chiefdoreen@sofn.band.

We are trying to connect with all community members through social media.
